Subject: Invitation to the 3rd International Infrastructure Investment and Construction Forum (The Venetian Macao, 24 to 25th April 2012)

Dear Sir/Madam,

IIICF is an international forum with the theme of investment and construction of infrastructures, which is founded in 2010 by China International Contractors Association with the approval by the Chinese Ministry of Commerce. The Forum serves as a platform of communication, exchange and cooperation where related parties discuss about hot topics and development strategies of international infrastructure investment and construction to promote mutual beneficial cooperation.

The Forum has been successfully held twice in Beijing, showing strong momentum of higher perspective, greater influence and faster development, having attracted more than 2000 delegates from nearly 80 countries and territories. With the support and endorsement of the Chinese Ministry of Commerce, the Macao SAR government and the Liaison Office of the Central People's Government in the Macao SAR, the 3rd Forum will be held in April 24-25, 2012 in Macao, co-sponsored by China International Contractors Association and Macao Economic Services.

The theme for this event is "Cooperation with China for Common Development". Delegates and world-class professionals of government organs, international organizations, contractors, investors, manufacturers, financial institutions as well as consulting companies from around the world will gather at the Forum to discuss about topics such as opportunities and challenges in the development of international infrastructure; and models of bilateral and multilateral cooperation among Chinese contractors and their world counterparts in the background of global economic crisis.

The Forum is an important platform for industry players to exchange strategic thinking and insights, find opportunities and seek cooperation. The relevant particulars are notified as follows:
