

**Working Plan 2013-2014
of the Chinese-Romanian Consultative Committee for Construction Works in the Field of
Transport Infrastructure**

The first meeting of Chinese-Romanian Consultative Committee for Construction Works in the field of transport infrastructure has decided on the Working Plan 2013-2014 as follows:

1. The Romanian side will provide to the Chinese side a list of projects of national interest according to the Romanian national development strategy, by the end of October, 2013.
2. After receiving the project list, the Chinese side will analyze the projects within three months, will decide on the projects of interest for the Chinese companies to proceed with and will inform the Romanian side.
3. Through secretariat, both sides will discuss on the mode of cooperation, way of financing the projects, subcontracting and other issues.
4. The Chinese side will organize a seminar about Romanian market and a delegation to Romania by the end of 2013, through which the Romanian side will provide coordination and support in arranging the contacts with the Romanian government organizations and companies.
5. After discussion, both sides will develop relevant policy recommendations to be proposed to the governments of both parties, as a reference for the creation of a suitable environment for easy implementation of all the projects.
6. Both sides will prepare for and have the second meeting in Bucharest in the margins of the visit of the Chinese delegation at the end of the year 2013. The meetings for the year 2014 will take place in Beijing and in Bucharest. The first one at a date to be decided by the parts and the second one on the occasion of the Governmental Joint Commission on economic cooperation. The date of the meetings in 2014 will be established through the Secretariat.
