Conference & General Assembly 28-29 May 2026 | Paris

Accommodation – important notice:

Our host federations have provisionally reserved a number of rooms at preferential rates in 2 hotels (close to each other). The organisers strongly encourage all participants to book their accommodation in one of these selected hotels (all transfers during the event will be organised from & to these hotels only).

Availability and special rates are valid until 31 January 2026.

Please note that each delegate is invited to book their accommodation directly by 31 January 2026 at the latest by clicking on the 'Accommodation page':

As a first step, you can book your hotel independently of registering for the entire programme. This can, of course, be done after 31 January.

Please note that the working language during the whole event will be ENGLISH.

As usual, the FIEC team is at your disposal for any question you may have.

We look forward to welcoming you and all representatives of your federation to this FIEC event 2026 in Paris!

Yours sincerely
