focused

Catalysing private
sector investment

Team National: important features

➤ **Why?** Strong **coordination**

- Platform with **multi-stakeholder membership** that combines a **whole-of-government approach** with **dialogue** with the private sector and civil society

➤ **Who?**

- No fix format: Ministry for Foreign Affairs, Line ministries (ie Trade, Climate, Transport, Energy, Education, Health) DFIs, Development Cooperation Agencies, ECAs, Trade and Investment Promotion Organisations, Business associations.

➤ **What?**

- **Constructing and screening investment proposals** and channelling them to European platforms such as the Global Gateway Investment Hub and Calls for proposals.

Team National

Main entry point to the IH

EU companies can only submit proposals to the EU through their **Team National**. Click [here](#) for more info.

Team National has the following **responsibilities**:

- **Unites key national stakeholders:** government bodies, DFI, ECA*, business associations, private sector
- **Selects, endorses, and commits to support Global Gateway projects**
- **Channels projects** to INTPA for coordinated engagement to address remaining investment barriers

Team National structure

Lessons learnt

The **strength of Team National** stems from:

- effective coordination,
- clear governance,
- strong private-sector engagement,
- high-level political ownership to align development and economic objectives,
- early engagement with businesses to build a robust investment pipeline,
- strong integration with chambers of commerce and trade agencies.

Thank you!
